

Discover Your Perfect Website Solution:
Wix, Forecast Sunny's Tailored
Websites, or Custom Builds

Forecast Sunny's Tailored Websites

Wix Websites

- **Template-Based:** Pre-designed templates with customization limits.
- **DIY Customization:** Requires you to do all the work.
- **Business Fit:** Generic design, not tailored to your specific needs.
- **Uniqueness:** Thousands of businesses may have a similar look.
- **Setup Time:** Quick to launch.
- **SEO & Conversion:** Basic SEO capabilities.
- **UX/UI:** User-friendly and mobile-ready.
- **Ownership:** You own the website.

Ideal for quick, budget-friendly solutions with basic needs.

- **Custom Design:** Personalized with your business and goals in mind.
- **Full Service:** We handle the design, build, and optimization.
- **Business Fit:** Tailored to your specific business needs and goals.
- **Uniqueness:** Unique design crafted for you.
- **Setup Time:** Ready in as little as a month.
- **SEO & Conversion:** Built with search and conversion optimization best practices.
- **UX/UI:** User-friendly and mobile-ready.
- **Support:** One year of ongoing support included.
- **Ownership:** You own the website.

Perfect balance of customization, support, and ownership with a focus on your business goals.

Custom Websites

- **Ground-Up Build:** Entirely custom-built for your specific needs.
- **Integration:** Includes tailored integrations for marketing, sales, support, etc.
- **Business Fit:** Designed to fit your business processes exactly.
- **Uniqueness:** Completely unique design, no duplicates.
- **Setup Time:** Longer development time.
- **SEO & Conversion:** Built with search and conversion optimization best practices.
- **UX/UI:** User-friendly and mobile-ready.
- **Support:** Support varies, but often available.
- **Ownership:** Risk of developer retaining ownership rights.

Best for businesses needing fully bespoke solutions with extensive integrations.
